AND THE WINNER IS . . . JANET HANSON, RN

Last week, an announcement of the four finalists for the Spirit of Mercy Award was made. The award is designed to recognize individuals committed to the Mission and Values of the Sisters of Mercy. The four phenomenal finalists were selected from a pool of more than 60 total nominees, spanning a wide array of roles and disciplines.

Last evening, at the 2016 Annual Staff Recognition Dinner, the one outstanding finalist was named – Janet Hanson, RN, a nurse with Mercy Plastic Surgery. She was chosen representing the Core Value of Reverence.

Janet was seated with her family at the dinner, and seemed very surprised and humbled as her name was announced as the overall Spirit of Mercy Award winner.

“I don’t know quite what to say. I am at a loss and this is totally unexpected. I am so honored and I would like to thank you all so very much,” Janet said.

As the 2016 Spirit of Mercy Award winner, Janet and a guest will pack their bags for a memorable trip to the original home of the Sisters of Mercy in Ireland later this year.

“We are privileged to serve the members of our community, but we are equally privileged to serve alongside many remarkable colleagues,” said Bob Ritz, Mercy president.

Funds to support this award were provided through charitable gifts donated by community members in the name of our former Board Chair Steve Chapman.

The other three finalists this year are: Dennis Zachary, M.D., Mercy South Family Practice and Urgent Care; Elizabeth Vitiritto, House of Mercy; and Teri Reiff, Mercy Clinical Laboratory.

Watch for more information on Janet and the other three distinguished finalists in future issues of the “Bulletin” newsletter.

Starting this month, changes were made to the award process. Moving forward, we will have monthly winners who will then be in the running to win the overall annual Spirit of Mercy award each year. Monthly nominations are due on the 15th of each month. Fillable nomination forms may be found in the upper left corner on MercyNet.
Performance Culture Assessment (PCA) through May 9

The Performance Culture Assessment (PCA) is now underway through May 9. All colleagues who were on staff as of Dec. 31, 2015 should have received an email from HealthStream (our third party survey vendor) with a link to the confidential survey. Watch “News Briefs” and the “Bulletin” for more information through the coming weeks, and be ready to share your thoughts. Your input is important and valued as we work to create a Remarkable Mercy Experience, not only for our patients and visitors, but for our colleagues too!

Good things happen when we all participate . . .

Your opinions matter! Here’s why:

“This is more than a survey; this is our opportunity to share our success and identify opportunities for improvement. These results are what gauge our performance as a company and help structure our strategies for the future.”

Cory Ohorilko, Iowa Heart Center

“I feel the PCA is a great tool to create a workplace that can thrive. It is a great way to gain feedback from staff on their workplace experience. Taking the survey is an easy way for all of us to contribute toward making improvements in the workforce culture.”

Ashley Sunderman, Mercy Children’s Hospital

CLEAN-UP GETS RESULTS TO HELP MAKE 6TH AVENUE SPARKLE

More than 60 staff members took time out on Friday, April 15, to help clean up our neighborhood as part of a Mission on the Move project at Mercy. Sponsored by the 6th Avenue Corridor, the scrub event was a huge success, with participants painting, weeding, picking up trash and performing many other miscellaneous chores.

CONGRATULATIONS TO . . .

Brittany Quandt, Cardiac Surgery, and Jarrod, on the birth of their daughter Sydney Faye. Sydney was born on March 29, and is the couple’s first child.

April Leffler, Radiology, and David, on the birth of their daughter, Evelyn Marie. Evelyn was born on April 7, and was welcomed home by Violet, 2.

SYMPATHY TO . . .

Jane Chamberlain-Olsasky, Rehab Services, for the death of her sister-in-law.

Leslie Holtkamp, Rehab Services, for the death of her stepmother.

Norma Seibert, NTMICU, for the death of her father.

DIAPER DRIVE UNDERWAY APRIL 29-MAY 6

For Mercy’s final Mission on the Move project of the fiscal year, we are collecting diapers for families seeking assistance at the St. Mary’s Outreach Center and House of Mercy. The dates of the drive are today, Friday, April 29—Friday, May 6. All sizes of diapers are welcome – original packaging is preferred.

Please see the latest issue of “Mercy News Briefs” for more details.
