Situation
Safety of our staff is important and proper use of PPE will protect our staff.

Background
Staff have requested a review of proper procedures for donning and doffing specific isolation needs

Assessment
2 videos have been created to assist staff in their education

COVID-19 - Infection Prevention - Contact and Airborne Isolation
https://youtu.be/LzAW8mA7fg0

COVID-19 - Infection Prevention - Contact, Eye, Droplet Protection
https://youtu.be/jyv2R2OCgrc

Recommendations
Watch the videos (linked attached) and ask your manager if you have any questions

STAFF TO REVIEW AND INITIAL FOR UNDERSTANDING AND COMPLIANCE
