Reading of Names*
Joyce Sherman and Autumn Hawver-Colglazier, Bereavement Coordinators

*Each tree location will have its own Reading of Names video. For memorials received after the deadline and before the ceremony, a separate video will be posted to include those names in the program.

Please note, you must request to have your loved one’s name added to the program. Further, names are not continued from year to year; please complete a form/remittance envelope each year.

Your loved one does not need to have been a hospice patient to be recognized at our Tree of Life ceremonies.

Someone remembered... someone honored... someone loved...
