

Your biopsy

Your biopsy specimen has been sent to MercyOne Laboratory for evaluation and diagnosis.

WHAT HAPPENS TO MY BIOPSY?

- Highly trained lab technicians prepare your tissue on a glass slide using advanced instruments.
- A pathologist examines the slide under a microscope and provides a diagnosis.
- Results are generally available within seven business days and added to your electronic medical record.

WHY MERCYONE?

- Your provider chose MercyOne for:
- Expert pathologists

UNDERSTANDING YOUR BILL

- Physician/provider charges
- For tissue removal and evaluation.

LABORATORY CHARGES

- Technical component: Preparing tissue slides for examination (billed by MercyOne Laboratory).
- Professional component: Pathologist's evaluation and diagnosis (billed separately).
- Additional charges may apply for extra tests or second opinions.
- Advanced technology and instrumentation
- Partnership with Pathology Associates of Central Iowa
- (PACI) for accurate results.
